Hi everyone,

Attached are comments/recommendations from me and Julia. The draft is looking good. We mostly found some issues concerning consistency with the HDOA agreement and within the document itself. There are some substantive issues for your consideration. As always, please reach out if you have any questions.

Best,
--Adam

I have revised the draft informal resolution contrasting the language and from other similar draft agreements. (Please review as I reviewed and edited this revision under slightly hindered conditions.)
